

KMDC – CFP Early Bird Scheme 2009 July – December Intake

The KMDC July – December 2009 CFP new intakes are now **open for registration!**

KMDC learning members have the privileges to enjoy exclusive benefits under **Early Bird Scheme**.

EARLY BIRD SCHEME

Promotion Period: 1 May 2009 till 31 July 2009

- 1) RM50.00 discount on each module (Module 2- Module 6).
- 2) Application Fee waived for new learning members enrolled during this period.
- 3) Free 6 months of “Smart Investor” subscription for new learning members.

Terms and Conditions:

- Registration without payment is considered incomplete and void.
- KMDC reserves the right to end this promotion or make amendments at any time without prior notice.

More Advantages for the Early Birds:

1. **START** your new CFP module(s) early even before knowing examination results. KMDC offers repeat options on all module(s) (an admin fee of RM80 for each 6-day module applies). Only those that join the early classes will have the privilege to repeat the module(s) in the same semester – learn more and secure a better chance to pass the examination.
2. KMDC CFP class schedule is specially designed to allow learning members to study up to 4 modules per semester AND complete CFP programme faster, provided you **START EARLY!**
3. **More importantly**, you will get to enroll for the class(es) that suits your schedule. Please take note KMDC will take measures to control class size - some classes do fill up fast and late comers will not be entertained.
